She must've been a catcher, 'cause she don't run at all
I beat the pussy out the park like I'm Barry Bonds
I put the pussy in debt, bitch take this Uncle Tom
The hate be so real, the love be so fake
I keep a blower for the lawn, I fucked the evens and beat the odds
Baby you see this face tat, I don't want a job
I get paid to show up like a fucking god
Fuck a nigga mean, I'm a famous Crip
Fuck a square bob, you see I'm at the tip
Now she finna top, make that pussy pop
I give her hood dick, I take a bitch soul
Do a bitch cold, give her runny nose
Treat the pussy like it's Smokey, take this big worm
I fucked the bitch edges off, like a bad perm
Fuck a bed baby, take this rug burn

If I show up, I need a bag for the show
Ooh, damn, I'm finna fuck 'em (I just fucked 'em)
Kick the door, get it out her ass for the dough
