

Gina

Blues Traveler

Gina, Gina, don't you cry
I'm saying, Gina, Gina, wonder why?
I said, wonder why?

Gina, Gina, dance all night
I said, Gina, Gina, feel all right
Gina, Gina, can't you see?
I'm saying, Gina, Gina, you're just free

Gina, Gina, can't you see?
I'm saying, Gina, Gina, you're just free

Well, once upon a time, a long time ago
There was a Rock 'n' Roll queen, we came to know
She kept on dancing, she'd danced till dawn
She'd dance till the people and the liquor were gone

She kept on dancing as the crowd grew large
When it came to grooving, you know she was in charge
She still finds ways today to groove somehow
In fact she could be listening to this music right now, oh

Gina, Gina, don't you cry
I'm saying, Gina, Gina, wonder why?
I said, wonder why? I said, wonder why?
I said, wonder why? Wonder why?
Wonder why? Wonder why?
I said, wonder why?
