

## Most Precarious

Blues Traveler

Don't you give up don't allow disaster  
Don't you give up don't you let her win  
We're talking about a "forever after"  
Don't you give up don't you dare give in  
Don't you give up don't you dare give in

Doesn't it seem most precarious  
Doesn't it seem such a chance to take  
Doesn't it seem most precarious  
Why does it feel like a big mistake

Please understand and hear what I'm saying  
The time is now and you don't have long  
She could be oceans away tomorrow  
So soon your chance will have come and gone  
So soon your chance will have come and gone

Doesn't it seem most precarious  
Doesn't it seem such a chance to take  
Doesn't it seem most precarious  
Why does it feel like a big mistake

The tight-wires strung and you're out in the middle  
All eyes upon you no net below  
Inches to go and you're almost home free  
Feel the wires swaying to and fro  
Feel the wires swaying to and fro

Doesn't it seem most precarious  
Doesn't it seem such a chance to take  
Doesn't it seem most precarious  
Why does it feel like it would be a damn shame  
Would be forever if it meant a day  
How stoically I exclaim  
As she turns from me and walks away

The light in her eyes explanation escapes you  
Longing to please and not feel alone  
And she doesn't know it but really she loves you  
Some day so soon you're gonna make it home  
Some day so soon you're gonna make it home

Doesn't it seem most precarious  
Doesn't it seem such a chance to take  
Doesn't it seem most precarious  
Why does it feel like a big mistake

Doesn't it seem most precarious  
Doesn't it seem such a chance to take  
Doesn't it seem most precarious  
Why does it feel like a big mistake
