

Bugman

Blur

I am an ex offender
They let me out in the summer
I think I was in a coma
I didn't know what to do
Oh no

You go hang around go round
I'll watch myself hang on
Look out for the Bugman
You go hang around around
I'll watch myself hang on
Look out for the Bugman

I got no sense of existence
I know the nodding dogs
I go out in the city
I stay away from the bugs
Oh yeah

You go hang around around
I watch myself hang on
Look out for the Bugman
You go hang around around
I watch myself hang on
Look out for the Bugman

The bu uh uh ug man

I go out in the city
I stay away from the bugs
Oh yeah
na na na na na oh oh...

I go out in the city
