

Coffee & TV

Blur

Do You feel like a chainstore?
practically floored
One of many zeros
Kicked Around bored

Your ears are full
but you're empty
holding out your heart
to people who never really
Care how you are

So give me Coffee and TV
I've seen so much
I'm going blind
And I'm braindead virtually
'Cos sociability
It's hard enough for me
Take me away
from this big bad world
And agree to marry me
So we can start over again

The rest of the verses:
Do you go to the country?
It isn't very far
those people there will hurt you
'Cos of who you are
Your ears are full of the language
there's wisdom there you're sure
'Til the words start slurring
and you can't find the door

AAAAAAAAAA we can start over again
AAAAAAAAAA we can start over again
AAAAAAAAAA we can start over again
AAAAAAAAAA we can start over again
