

Death of a Party

Blur

Death of the party
Came as no surprise
Why did we bother?
Should have stayed away

Another night
And I thought, "Well, well"
Go to another party, and hang myself
Gently on the shelf

Death of the teenager
Standing on his own
Why did he bother?
Should have slept alone

Another night
And I thought, "Well, well"
Go to another party, and hang myself
Gently on the shelf

Ohh ohh
Ohh ohh
Woo woo
Woo woo

Another night
And I thought, "Well, well"
Go to another party, and hang myself
Gently on the shelf
