

## Death of a Party

Blur

Death of the party  
Came as no surprise  
Why did we bother?  
Should have stayed away

Another night  
And I thought, "Well, well"  
Go to another party, and hang myself  
Gently on the shelf

Death of the teenager  
Standing on his own  
Why did he bother?  
Should have slept alone

Another night  
And I thought, "Well, well"  
Go to another party, and hang myself  
Gently on the shelf

Ohh ohh  
Ohh ohh  
Woo woo  
Woo woo

Another night  
And I thought, "Well, well"  
Go to another party, and hang myself  
Gently on the shelf
