

Don't Be

Blur

Don't be so dull
Bet you'd level your heart
You'll be controlled
Tired right from the start

La la la la la la la la la la...

Don't be nasty
Or I'll go there and fight
Don't be like me
Stay away from the night

La la la la la la la la la la...

Don't be so dull
Bet you'd level your heart
You'll be controlled
Tired right from the start

La la la la la la la la la la...
