

I'm Fine

Blur

Your man is always flaming
He's hitting his head against the wall
He do it to you
He do it again, he knows to do
I've always found you complicated
A boy tried to shut you up
I do what I do
I do it again, again, again
And I'd like you to know
It's alright
There's a world around us
I need you to know
I'm alright
No need to worry about me
'Cause I'm just fine
Your man has lost his meaning
Smash his head against the wall
He do it to you
He do it again
He's coming back to you
You give me the strangest feeling
You shut me of myself
You do it to me
Then you do it again
Then you do it again
Then you do it again
Then you do it again
And I'd like you to know
It's alright
There's a world around us
I need you to know
I'm alright
No need to worry about me
'Cause I'm just fine
I'm just, I'm just fine
And I'd like you to know I'm alright
It's a world around us
I need you to know
I'm alright
No need to worry about me
'Cause I'm just fine
I'm just fine
I'm just fine
I'm just fine
