

Long Legged

Blur

You know you do not lean before me
You're just in my head dear can't you see
I don't want to be with you anymore
You're just a head dear oh no

[Chorus]
I look at me long legged me
I look at me foolish me
I'm crawling on the floor again
I'm trying to find my head again

Oh you really don't understand do you?
No you have not got a fucking clue
It's not that I don't like you it's not that way
It's just that I don't understand

The change, it's strange, the change, it's strange

[Chorus]
