

Out Of Time

Blur

1. Where's the love song to set us free
Too many people down
Everything turning the wrong way round
 2. And I don't know what life would be
If we stop dreaming now
Lord know's we'd never clear the clouds
- R: And you've been so busy lately that
you haven't found the time
To open up your mind

And watch the world spinning gently out of time

3. Feel the sunshine on your face
It's in a computer now
Gone to the future way out in space

R: And you've been...

R: And you've been... (2x)
