

Polished Stone

Blur

Now I fall to the ground
I can't get up, well never mind
I know you'll pull me up by my bones
And say I'm sand to polished stone

Today's gone and it won't be long
before we fall asleep and forget
what we've done
We won't get up cos today is fun
We're alone

Now you bite my tongue
and when the alcohol's gone
I won't feel a thing
So you can't carry on
Today is gone and it won't be long
Before we fall asleep and forget what we've done

We won't get up cos today is fun
we're alone

It's numb
It's numb
It's numb
