

## St. Louis

Blur

St. Louis song  
Something is wrong  
I kill that man  
From your own shoulders down  
And here comes an empty  
People look at each other like me

CHORUS:

I don't wanna be  
I don't want to be he-here (2x)

'Cause there's nothing  
Here to be-e-e-e-e

St. Louis song  
Where has the good thing gone  
Dreaming himself to hell  
Stuck in his good cell  
He's still trying to suffer  
Left handed sto-o-o-p

REPEAT CHORUS

Oohoooh (4x)

I'm not trying to suffer  
Left handed sto-o-o-p

REPEAT CHORUS (2x)
