

Stereotypes

Blur

The suburbs they are dreaming, they are a twinkle in her eye
She's been feeling frisky since her husband said goodbye
She wears a low cut t-shirt runs a little bmw
She's most accommodating when she's in her lingerie
Wife swapping is the future, you know that it would suit you

[Chorus]

Yes, they're stereotypes, there must be more to life
All your life you are dreaming and then you stop dreaming
From time to time you know you should be going on another bender

The suburbs they are sleeping but she's dressing up tonight
She likes a man in uniform he loves to wear it tight
They are on the lover's sofa they are on the patio
And when the fun is over watch themselves on video
The neighbours may be staring, but they are just past caring

[repeat chorus]

Yes, they're must be more to life, they're stereotypes

Wife swapping is the future, you know that it would suit you

[repeat chorus]
