

The Universal

Blur

This is the next century
The universal is free
This is the next century
The universal is free

You can find it anywhere
Yes, the future has been sold
Every night we are gone
And to kareokee songs

We like to sing along
Although the words are wrong
It really, really, really could happen
When the days seem to fall straight through you
Just let them go

No one here is alone
Satellites in every home
The universal is here
Here for everyone
Every paper that you read
Says tomorrow is your lucky day
Well, here's your lucky day

You can find it anywhere
Yes, the future has been sold
Every night we are gone
And to kareokee songs

We like to sing along
Although the words are wrong
It really, really, really could happen
When the days seem to fall straight through you
Just let them go

No one here is alone
Satellites in every home
The universal is here
Here for everyone
Every paper that you read

Says tomorrow is your lucky day
Well, here's your lucky day
