

Complete

Blutengel

The sun is rising but something is wrong
(The sun is rising but something is wrong)
Something is different to the days before
(Something is different to the days before)
I can't believe that you have done
(I can't believe that you have done)
This strange situation is breaking my heart
(This strange situation is breaking my heart)

I wanna thank you for the time
You guided me through my life until now
I wanna thank you for your love
That makes my life complete

I wanna thank you for the time
I wanna thank you for your love

I tried to live my life without you
(I tried to live my life without you)
And I always remember the time we shared
(And I always remember the time we shared)

I wanna thank you for the time
You guided me through my life until now
I wanna thank you for your love
That makes my life complete

I wanna thank you for the time
You guided me through my life until now
I wanna thank you for your love
That makes my life complete

I wanna thank you for the time
You guided me through my life until now
I wanna thank you for your love
That makes my life complete

I wanna thank you for the time
You guided me through my life until now
I wanna thank you for your love
That makes my life complete
