

# Cry Little Sister

Blutengel

The last fire will rise  
Behind those eyes  
Black house will rock  
Blind boys dont lie  
Immortal fear  
That voice so clear  
Through broken walls  
That scream I hear

Cry little sister (thou shall not fall)  
Come come to your brother (thou shall not die)  
Unchain me sister (thou shall not fear)  
Love is with your brother (thou shall not kill)

Blue masquerade  
Strangers look on  
When will they learn this loneliness?  
Temptation heat  
Beats like a drum  
Deep in your veins  
I will not

Lie little sister (thou shall not fall)  
Come come to your brother (thou shall not die)  
Unchain me sister (thou shall not fear)  
Love is with your brother (thou shall not kill)

My Shangri-La  
I cant forget  
Why you were mine  
I need you now

Cry little sister (thou shall not fall)  
Come come to your brother (thou shall not die)  
Unchain me sister (thou shall not fear)  
Love is with your brother (thou shall not kill)

Cry little sister (thou shall not fall)  
Come come to your brother (thou shall not die)  
Unchain me sister (thou shall not fear)  
Love is with your brother (thou shall not kill)

Cry little sister (thou shall not fall)  
Come come to your brother (thou shall not die)  
Unchain me sister (thou shall not fear)  
Love is with your brother (thou shall not kill)
