

In Winter

Blutengel

Everything's Grey cause Winter is here,
Sommer is gone and Coldness apears,
You went away and you will not return,
I'm sitting here watch your trace's in the Snow.

Everything's Grey cause Winter is here,
Sommer is gone and Coldness apears,
You went away and you will not return,
I'm sitting here watch your trace's in the Snow.

Everything's Grey cause Winter is here,
Sommer is gone and Coldness apears,
You went away and you will not return,
I'm sitting here watch your trace's in the Snow.
