

Insomnia

Blutengel

I'm afraid...(8x)...to dream...

Every night I ask myself: "What's happening to me?".
All the nightmares in my head try to kill me when I'm
asleep.
I am restless, I am sad, I don't know what I should do...
There's a pain inside my soul, I don't know why I'm so
afraid...

I'm afraid...(4x)
I feel there's someone watching over me, but I can't
explain.
There's no one beside me, but there's a coldness in my
heart...
I know there's something in the dark...cold it's touching
me...
It tries to break me, it tries to kill me... it's tearing
me apart!

Chorus: (2x)
I never want to close my eyes... (I never want to close
my eyes...)
I don't want to fall asleep... (I don't want to fall
asleep...)
I'm afraid...to dream... (I'm afraid...to dream...)
I'm afraid...to dream... (I'm afraid...to dream...)
