

Like A Shadow (Demo 2009)

Blutengel

I'm watching the sun going down under horizon
I feel the darkness creeping into my heart
I see the traces of my past like footsteps in the sand
I don't know why I'm here and I don't know my destination

Is this the point of no return?
Is there no way back?
I am stranded here alone
I lay myself to sleep...
Is this the point of no return?
Is there no way back?
Will everything end up here?
I'm afraid to close my eyes.

And I'm walking in the rain
I'm like a shadow in the night
Try to escape my destiny
I'm searching for a place to hide
The thousand eyes are watching me
Secret voices beg me to stay
I just try to save my soul
And it's getting older day by day
