

# My Darkest Night

Blutengel

I wake up in the night  
I feel loneliness inside  
I go down to the sea  
And I wait for you to come  
I lay down in the grass  
And I dream myself away  
I can't wait anymore  
Please come and set me free

Take me away  
Bring me a dream  
I will leave reality  
I'll be with you  
Close to the edge  
Of my strangest fantasies  
I'm feeling free  
I touch the light  
On my never ending fall  
I have no fear  
'cause you wait for me  
On the edge of my darkest nights

Here I am  
Can't you see?  
I'm just waiting for your touch  
See me here  
Feel the pain  
I lay all my trust in you  
Take me away  
Bury my past  
Nothing keeps me here anymore  
Give me your kiss of death  
Let me fly away with you
