

My Darkest Night

Blutengel

I wake up in the night
I feel loneliness inside
I go down to the sea
And I wait for you to come
I lay down in the grass
And I dream myself away
I can't wait anymore
Please come and set me free

Take me away
Bring me a dream
I will leave reality
I'll be with you
Close to the edge
Of my strangest fantasies
I'm feeling free
I touch the light
On my never ending fall
I have no fear
'cause you wait for me
On the edge of my darkest nights

Here I am
Can't you see?
I'm just waiting for your touch
See me here
Feel the pain
I lay all my trust in you
Take me away
Bury my past
Nothing keeps me here anymore
Give me your kiss of death
Let me fly away with you
