

My Nightmare

Blutengel

I run through the night
Looking for a place to hide
I don't know what to do
And I'm afraid of you
You are hunting me
And you are scaring me
I hope I can escape
And I hope it's not too late

You are in my brain, you are in my blood
You are in my soul, you are in my blood

You are my nightmare, you are my destiny
You make me cry but you're a part of me
I will never see the sun rise again for me
You take me to the other side of the deep, black water...

The other side of me
