

Echoes

Bo Bruce

You will be always on my mind
I don't know how to say goodbye
I wasn't brave enough to cry
I try to leave it all behind
But echoes of you come back around

I hear the echoes of your love
And singing it in my soul
Why are the memories not enough?
I hear the echoes of your love
I gotta let you go
Let all the embers turn to dust, to dust, to dust, to echoes

To echoes
To echoes

Send me a message send a sign
Something to get me through the night
Wherever you are I need to know
Maybe that's why I wait for ghosts
Pieces of you I had to find

I hear the echoes of your love
And singing it in my soul
Why are the memories not enough?
I hear the echoes of your love
I gotta let you go
Let all the embers turn to dust, to dust, to dust, to echoes

To echoes
To echoes

Suddenly I can feel the silence surround me
I suddenly need to hear your voice

I hear the echoes of your love
And singing it in my soul
Why are the memories not enough, enough, enough?
I hear the echoes of your love
I gotta let you go
Let all the embers turn to dust, to dust, to dust, to echoes

To echoes
To echoes
