

# Deed And Deed I Do

Bo Diddley

(Deed and deed and deed I do)  
(Bo, deed and deed and deed I do)  
(Bo, Bo, deed and deed and deed I do)  
(Love you baby, yes I do)

Come on baby let me walk you home  
You know why the world won't do you no wrong  
Because I love you, so  
(Love you baby, yes I know)

And deed and deed and deed I do  
And deed and deed and deed I do  
(Bo-Bo) deed and deed and deed I do  
(Love you baby, a-please be true)

Can I meet yo mom and dad  
A-you the pretty girl I ever had  
Because I love you so  
(Love you baby, a-this I know)

Can I tell your mom and pa  
That I want you for my own  
Do you know that I love you so  
(Love you baby, a-this I know)

We were walkin' in the rain  
I'm gonna tell you pretty baby  
You're a pretty thing  
Because I love you, so  
(Love you baby, a-this I know)

Come on baby, lend me one kiss  
I wanna be sho' to come near  
Because I love you, so  
(Love you baby, a-please don't go)

I love you, love you, yes  
Oh pretty baby, our love will never last  
Cause I love you, so  
(Love you baby, this I know)

(Deed, deed and deed and deed I do)  
(Bo-Bo, deed and deed and deed I do)  
(Bo-Bo, deed and deed and deed I do)  
(Pretty baby, deed and deed I do)

(Oh, in deed and deed and deed I do)  
(Bo, deed and deed and deed I do)  
(Bo-Bo, deed and deed and deed I do)
