

I Love You So (1st Version)

Bo Diddley

Ooh-ho-ho, baby
Oh-ho-ho-ho, oh-ho-oh
Oh-ho, love you so

All of my life I've been loving you
I wonder baby, what you gonna do?
You tell me baby that your love is real
How can I win you if you won't keep still?
'Cause I, I-I-adore
Oh-oh, I love you, so

Baby, baby, sugar, honey
I love you, no no
Little baby girl, I will do
Just to prove, baby, that I love you
'Cause I-I-I-I found love

Oh-ho-ho-ooh-oh
Yeah, oh, love you so

Come on, pretty baby
Come on, pretty baby
Come on, pretty baby
FADES-
Come on
Come on.
