You Know I Love You

Bo Diddley

I'm sorry Oh, I'm sorry Oh baby, I'm sorry For the things I said to you You know I love you You know I care With you, my new heart I want to share Darling I need you With all your heart and soul To know that I want you, and I'll never let you go But forgive me Please forgive me For I knew not what I was sayin'

Come on little baby Come on darling Give me another chance To make up on my wrong You know that I love you You know I'll put nobody else above you Come on, come on Say that you'll love me

I'm sorry Oh yes I'm sorry Oh I'm sorry For the things I said t' you
