Flying Without Wings

Everybody's looking for a something One thing that makes it all complete You'll find it in the strangest places Places you never knew it could be Some find it in the face of their children Some find it in their lover's eyes Who can deny the joy it brings When you've found that special thing You're flying without wings Some find it sharing every morning Some in their solitary lives You'll find it in the words of others A simple line can make you laugh or cry You'll find it in the deepest friendship The kind you cherish all your life And when you know how much it means You've found that special thing You're flying without wings So impossible as it may seem You've got to fight for every dream Cos who's to know which one you let go Would have made you complete Well, for me it's waking up beside you To watch the sunrise on your face To know that I can say I love you In any given time or place It's little things that only I know Those are the things that make you mine And it's like flying without wings Cos you're my special thing I'm flying without wings And in this place I long to be You'll be where it ends I'm flying without wings And that's the joy you bring I'm flying without wings
