

Girls On Top (english)

Boa

Everyone's telling me, I should be, somebody I don't
wanna be

I feel you watching, my every move,
The pressure's coming down on me
(I'm much more than the girl next door you see)
Don't you tell me what to do,
Gonna make my decisions on my own
(Are you ready) 'Cause I'm ready to move up

This is who I am so I just wanna be true to myself
(That's just the way I like it, don't wanna be somebody
else)
If you could understand, why it's never enough
(I'm gonna make it happen, who says there can't be
girls on top)

A pretty face, sexy waist, pearls and lace, everybody
wants to have a taste
Fake and superficial, it ain't what defines a perfect
girl

Take the chance today, doesn't matter what they say
about me anyway
(Get it up) I'll show you how (Get it up) Let's do it
now
It's the point of no return, there are lessons that
you've got to learn
Imma give it to ya, take it up higher

This is who I am so I just wanna be true to myself
(That's just the way I like it, don't wanna be somebody
else)
If you could understand, why it's never enough
(I'm gonna make it happen, who says there can't be
girls on top)

Everyone's telling me, I should be, somebody I don't
wanna be

I won't ever let them get me. Shake it like the way I
like it

Open up your mind, we can make it work if we take the
time
To realize we're all the same inside
You can't judge me by the way that I look on the
exterior, no
I just can't take it anymore

All my girls on top if you're feeling me, throw your
hands up high yeah
(Go baby, girl rise up, throw your hands up, do you
like that?)
Free your mind today, don't be afraid to take the lead
yeah
(Go baby, go baby) Yeah

This is who I am so I just wanna be true to myself
(That's just the way I like it, don't wanna be somebody
else)
If you could understand, why it's never enough
(I'm gonna make it happen, who says there can't be
girls on top)
