

Look Who's Talking

Boa

Champagne, caviar, hot boys at the bar are lookin' at me. Yeah, they're lookin' at me.

I was true to you, just to find my point of view, now you're lookin' at me. Yeah, you're lookin' at me.

They wanna give it to me, they wanna give it to me.

I won't go for that, 'cause, boy, I had your back.

This song is all about me. Damn right, it's all about me.

Hey, hey, hey! So look who's talking now.

That's what this song's about: me. Yeah, yeah, yeah, yeah...

Hey, hey, hey! Think you got me figured out, but look who's talking now.

It's me. Yeah, yeah, yeah, yeah...

Fast cars and bubble baths, high heels, stepping on the gas, lookin' at me. Yeah, they're lookin' at me.

Dreamsicles melt away, I'm thinking everyday lookin' at me, you're still lookin' at me.

I wanna give it to you, I wanna give it to you.

But I can't go for that 'cause, boy, it's in the past.

This song is all about me. Damn right, it's all about me.

Hey, hey, hey! So look who's talking now.

That's what this song's about: me. Yeah, yeah, yeah, yeah...

Hey, hey, hey! Think you got me figured out, but look who's talking now.

It's me. Yeah, yeah, yeah, yeah...

Controversy is like a tickin' time bomb. Controversy is what they want. Yeah, yeah, yeah, yeah...

Who needs relief? That's not what I spend my time on. Controversy is all they want. Yeah, yeah, yeah, yeah...

Hey, hey, hey! So look who's talking now.

That's what this song's about: me. Yeah, yeah, yeah, yeah...

Hey, hey, hey! Think you got me figured out, but look who's talking now.

It's me. Yeah, yeah, yeah, yeah...

Hey, hey, hey! So look who's talking now.

That's what this song's about: me. Yeah, yeah, yeah, yeah...

Hey, hey, hey! Think you got me figured out, but look who's talking now.

It's me. Yeah, yeah, yeah, yeah...
