

An Eagle in Your Mind

Boards of Canada

Holts are nearly always close to the sea,
fallen boulders, old ruins, and cliffs,
all at the top of a [sand crevice?],
high above the sea:
a safe place for cubs.
We wait ... tense. We're disappointed.
She leaves her [sprint?] loaded by others of us
The holts are evenly spaced, about 500 meters apart,
[some warped speech] who passes by, or they (advertise?)
I love you
