An Eagle in Your Mind

Boards of Canada

Holts are nearly always close to the sea, fallen boulders, old ruins, and cliffs, all at the top of a [sand crevice?], high above the sea: a safe place for cubs. We wait ... tense. We're disappointed. She leaves her [sprint?] loaded by others of us The holts are evenly spaced, about 500 meters apart, [some warped speech] who passes by, or they (advertise?) I love you
