

# Dreamers Unite

Bob Catley

I believed in the stories  
The ones that was told by night  
I believed what I heard in my sleep  
I know we are chosen  
I know that the time has come  
Carry the secret in our hearts

Everything is for real  
It's reality you feel  
The earth below us disappears

Dreamers unite  
At the end of the rainbow  
Join our fight  
Don't let your hope go  
The treasure is here  
You only see it with your eyes closed  
Dreamers unite  
Join our fight

A different world  
Another destiny  
The old life's erased, can't go back  
I know it's not easy  
To forget all the lies you've heard  
I know that it's hard to rise again

Everything is for real  
It's reality you feel  
The earth below us disappears

Dreamers unite  
At the end of the rainbow  
Join our fight  
Don't let your hope go  
The treasure is here  
Don't close your eyes now

Dreamers unite  
At the end of the rainbow  
Join our fight  
Don't let your hope go  
The treasure is here  
You only see it with your eyes closed  
Dreamers unite  
Join our fight

I know the time has come  
I know we are the chosen ones  
Carrying a secret in our hearts

Everything is for real  
It's the reality you feel  
The earth below us disappears

Dreamers unite  
At the end of the rainbow

Join our fight  
Don't let your hope go  
The treasure is here  
Don't close your eyes now

Dreamers unite  
At the end of the rainbow  
Join our fight  
Don't let your hope go  
The treasure is here  
You only see it with your eyes closed  
Dreamers unite  
Join our fight

Yes, I know we are chose  
I know we are chose
