

Any Day Now

Bob Dylan

They say everything can be replaced,
That every distance is not near,
So I remember every face,
Of every man who's put me here.

I see my light come shining,
From the west unto the east.
Any day now, any way now,
I shall be released.

They say every man needs protection,
That every man must rise and fall.
Yet I swear I see my reflection,
Somewhere so high above this wall.

Yonder stands a man in this lonely crowd,
A man who swears he's not to blame.
All day long I hear him shouting so loud,
He's crying out that he was framed.

Any day now, any way now,
I shall be released.
