

Can't Wait

Bob Dylan

I can't wait, wait for you to change your mind
It's late, I'm tryin' to walk the line
Well, it's way past midnight
And there's some people all around
Some on their way up, some on their way down
The air burns and I'm tryin' to think straight
An' I don't know how much longer I can wait.

I'm your man, I'm tryin' to recover the sweet love that we knew
You understand that my heart can't go on beatin' without you
Well your loveliness has wounded me
I'm reelin' from the blow
I wish I knew what it was that keeps me lovin' you so
I'm breathin' hard, standin' at the gate
Ah, but I don't know how much longer I can wait.

Skies are gray
I'm lookin' for anything that will bring a happy glow
Night or day, it doesn't matter where I go anymore, I just go
If I ever saw you comin' I don't know what I might do
I'd like to think I could control myself but it isn't true
That's how it is when things disintegrate
And I don't know how much longer I can wait.

I'm doomed to love you
I've been rollin' through stormy weather
I'm thinkin' of you
And all the places we could roam together.

It's mighty funny
The end of time has just begun
Oh, honey, after all these years you're still the one
Well, I'm strollin' through the lonely graveyard of my mind
I left my life with you somewhere back there along the line
I thought somehow that I would be spared this fate
I don't know how much longer I can wait.
