Driftin' Too Far From Shore

I didn't know that you'd be leaving Or who you thought you were talking to I figure maybe we're even Or maybe I'm one up on you I send you all my money Just like I did before I tried to reach you honey But you're driftin' too far from shore Driftin' too far from shore Driftin' too far from shore.

I ain't gotta get lost in this current I don't like playing cat and mouse No gentleman likes making love to a servant Especially when he's in his fathers house I never could guess your weight baby Never needed to call you my whore I always thought you were straight baby But you're driftin' too far from shore Driftin' too far from shore Driftin' too far from shore.

Well, these times and these tunnels are haunted The bottom of the barrel is too I waited years sometimes for what I wanted Everybody can't be as lucky as you Never no more do I wonder Why you don't never play with me any more At any moment you could go under Cause you're driftin' too far from shore Driftin' too far from shore Driftin' too far from shore.

You and me we had completeness I give you all of what I could provide We weren't on the wrong side sweetness We were the wrong side I've already ripped out the phones honey You can't walk the streets in a war I can't finish this alone honey You're driftin' too far from shore You're driftin' too far from shore.
