

Forever Young

Bob Dylan

1. May God bless and keep you always,
May your wishes all come true,
May you always do to others and let others do for you,
May you build a ladder to the stars and climb on every rung,
And may you stay forever young.

2. May you grow up to be righteous,
May you grow up to be true,
May you always know the truth and see the light surround
you,
May you always be courageous, stand upright and be strong,
And may you stay forever young.

*: Forever young, forever young,
May you stay forever young

3. May your hands always be busy,
May your feet always be swift
May you have a strong foundation when the winds of change
shift,
May your heart always be joyful, May your song always be sung
,
And may you stay forever young.
