

# God Knows

Bob Dylan

God knows you ain't pretty,  
God knows it's true.  
God knows there ain't anybody  
Ever gonna take the place of you.

God knows it's a struggle,  
God knows it's a crime,  
God knows there's gonna be no more water  
But fire next time.

Bridge #1:  
God didn't call it treason,  
God didn't call it wrong,  
It was supposed to last a season  
But it's been so strong for so long.

God knows it's fragile,  
God knows everything,  
God knows it could snap apart right now  
Just like putting scissors to a string.

Bridge #2:  
God knows it's terrifying,  
God sees it all unfold,  
There's a million reasons for you to be crying  
You been so bold and so cold.

God knows that when you see it,  
God knows you've got to weep,  
God knows the secrets of your heart,  
He'll tell them to you when you're asleep.

God knows there's a river,  
God knows how to make it flow,  
God knows you ain't gonna be taking  
Nothing with you when you go.

God knows there's a purpose,  
God knows there's a chance,  
God knows you can rise above the darkest hour  
Of any circumstance.

God knows there's a heaven,  
God knows it's out of sight,  
God knows we can get all the way from here to there  
Even if we've got to walk a million miles by candlelight.
