- 1. Come you masters of war You that build all the guns You that build the death planes You that build the big bombs You that hide behind walls You that hide behind desks I just want you to know I can see through your masks
- 2. You that never done nothin` But build to destroy You play with my world Like it`s your little toy You put a gun in my hand And you hide from my eyes And you turn and run farther When the fast bullets fly
- 3. Like Judas of old
  You lie and deceive
  A world war can be won
  You want me to believe
  But I see through your eyes
  And I see through your brain
  Like I see through the water
  That runs down my drain
- 4. You fasten the triggers
  For the others to fire
  Then you sit back and watch
  When the death count gets higher
  You hide in your mansion
  As young people's blood
  Flows out of their bodies
  And is buried in the mud
- 5. You've thrown the worst fear
  That can ever be hurled
  Fear to bring children
  Into the world
  For threatening my baby
  Unborn and unnamed
  You ain't worth the blood
  That runs in your veins
- 6. How much do I know
  To talk out of turn
  You might say that I`m young
  You might say I`m unlearned
  But there's one thing I know
  Though I`m younger than you
  Even Jesus would never
  Forgive what you do
- 7. Let me ask you one question Is your money that good Will it buy you forgivness

Do you think that it could I think you will find When your death takes its toll All the money you made Will never buy back your soul

8. And I hope that you die
 And your death`ll come soon
 I will follow the casket
 In the pale afternoon
 And I`ll watch while you`re lowered
 Down to your deathbed
 And I`ll stand o`er your grave
 `Till I`m sure that you`re dead
