

Mozambique

Bob Dylan

I like to spend some time in Mozambique
The sunny sky is aqua blue
And all the couples dancing cheek to cheek
It's very nice to stay a week or two
And maybe fall in love just me and you.

There's a lot of pretty girls in Mozambique
And plenty time for good romance
And everybody likes to stop and speak
To give the special one you seek a chance
Or maybe say hello with just the glance.

Lying next to her by the ocean
Reaching out and touching her hand
Whispering your secret emotion
Magic in a magical land.

And when it's time for leaving Mozambique
To say goodbye to sand and sea
You turn around to take a final peek
And you see why it's so unique to be
Among the lovely people living free
Upon the beach of Sunday Mozambique.
