Mozambique

I like to spend some time in Mozambique The sunny sky is aqua blue And all the couples dancing cheek to cheek It's very nice to stay a week or two And maybe fall in love just me and you.

There's a lot of pretty girls in Mozambique And plenty time for good romance And everybody likes to stop and speak To give the special one you seek a chance Or maybe say hello with just the glance.

Lying next to her by the ocean Reaching out and touching her hand Whispering your secret emotion Magic in a magical land.

And when it's time for leaving Mozambique To say goodbye to sand and sea You turn around to take a final peek And you see why it's so unique to be Among the lovely people living free Upon the beach of Sunday Mozambique.
