## Mr. Tambourine Man

capo 3 R: Hey Mister Tambourine Man play a song for me I'm not sleepy and there is no place I'm going to hey Mister Tambourine Man play a song for me in the jingle jangle morning I'll come followin' you. 1. Though I know that evening's empire has returned into sand vanished from my hand left me blindly here to stand but still not sleepin' my weariness amazes me I'm branded on my feet I have no one to meet and my ancient empty street's too dead for dreamin'. R: 2. Take me on a trip upon your magic swirling ship my senses have been stripped my hands can't feel to grip my toes to numb to step wait only for my bootheels to be wanderin' I'm ready to go anywhere I'm ready for to fade into my own parade cast your dancing spell my way I promise to go under it. R: 3. Though you might hear laughing spinning swinging madly across the sun its not aimed at anyone its just escaping on the run and but for the sky there are no fences facin' and if you hear vague traces of skipping reels of rhyme to your tambourine in time its just a ragged clown behind I wouldn't pay it any mind its just a shadow you're seeing that he's chasing. R: 4. Then take me dissappearing through the smoke rings of my mind down the foggy ruins of time far past the frozen leaves the haunted frightened trees out to the windy beach far from the twisted reach of crazy sorrow yes to dance beneath the diamond sky with one hand waving free silhouetted by the sea circled by the circus sands with all memory and fate driven deep beneath the waves
