

## New Morning

Bob Dylan

Can't you hear that rooster crowing ?  
Rabbit running down across the road  
Underneath the bridge where the water flows through  
So happy just to see you smile  
Underneath the sky of blue  
On this new morning, new morning  
On this new morning with you.

Can't you hear that motor turning  
Automobile coming into style  
Coming down the road for a country mile or two ?  
So happy just to see you smile  
Underneath the sky of blue  
On this new morning, new morning  
On this new morning with you.

The night passed away so quickly  
It always does when you're with me.

Can't you feel that sun a-shinning ?  
Ground hog running by the country stream  
This must be the day when all of my dreams come true  
So happy just to be alive  
Underneath the sky of blue  
On this new morning, new morning  
On this new morning with you.

So happy just to be alive  
Underneath the sky of blue  
On this new morning, new morning  
On this new morning with you  
New morning ...
