

## Odds and Ends

Bob Dylan

I plan it all and I take my place  
You break your promise all over the place  
You promised to love me but what do I see ?  
Just you comin' in and spillin' juice over me  
Odds and ends, odds and ends  
Lost time is not found again.

Now you take your file and you bend my head  
I never can remember anything that you said  
You promised to love me, but what do I know ?  
You're spillin' juice on me like you got some place to go  
Odds and ends, odds and ends  
Lost time is not found again.

Now I've had enough, my box is clean  
You know what I'm sayin' and you know what I mean  
From now on you'd best get on some-one else  
While you're doin' it, keep that juice to yourself  
Odds and ends, odds and ends  
Lost time is not found again.
