

# One More Cup Of Coffee

Bob Dylan

1. Your breath is sweet your eyes are like two jewels in the sky  
your back is straight your hair is smooth on the pillow where you  
lie  
but I don't sense affection no gratitude or love  
your loyalty is not to me but to the stars above.

R: One more cup of coffee for the road  
one more cup of coffee for I go to the valley below.

2. Your daddy he's an outlaw and a wanderer by trade  
he'll teach you how to pick a choose and how to throw the blade  
and he oversees his kingdom so no stranger does intrude  
his voice it trembles as he calls out for another plate of food.

R: One more cup...

3. Your sister sees the future like your momma and yourself  
you've never learned to read or write there's no books upon your  
shelf  
and your pleasure know no limits your voice is like a meadow  
larks  
but your heart is like an ocean so mysterious and dark.

R: One more cup...
