

## Some Enchanted Evening

Bob Dylan

Some enchanted evening, you may see a stranger  
You may see a stranger across a crowded room  
And somehow you know, you know even then  
That somehow you'll see her again and again

Some enchanted evening, someone may be laughing  
You may hear her laughing across a crowded room  
And night after night, as strange as it seems  
The sound of her laughter will sing in your dreams

Who can explain it, who can tell you why?  
Fools give you reasons, wise men never try

Some enchanted evening, when you find your true love  
When you hear her call you across a crowded room  
Then fly to her side and make her your own  
Or all through your life you may dream all alone

Once you have found her, never let her go  
Once you have found her, never let her go
