

## Spanish Is the Loving Tongue

Bob Dylan

Broke my heart, lost my soul  
Adios, mi corazon  
Spanish is the loving tongue  
Soft as music, light as spring  
It was a girl I learned it from  
Living down Sonora way  
Well, I don't look much like a lover  
Still I say her love words over  
Mostly when I'm all alone  
Mi amor, mi cora sole.

Haven't seen her since that night  
I can't cross the line you know  
They want me for a gamblin' fight  
Like as not it's better so  
Still I always kind of missed her  
Since that last sad night I kissed her  
Broke her heart, lost my own  
Adios, mi cora sole  
Broke her heart, lost my own  
Adios, mi cora sole  
Adios, mi cora sole  
Adios, mi cora sole.
