

Tomorrow Night

Bob Dylan

Tomorrow night, will you remember what you said to night ?
Tomorrow night, will all the thrill be gone ?
Tomorrow night, will it be just another memory
Or just another song, that's in my heart to linger on ?

Your lips are so tender, your heart is beating fast
And you willingly surrender to me, my darling will it last ?
Tomorrow night, will you be with me when the moon is bright ?
Tomorrow night, will you say those lovely things you said tonight?

Your lips are so tender, your heart is beating fast
And you willingly surrender to me, my darling will it last ?
Tomorrow night, will you be with me when the moon is bright ?
Tomorrow night, will you say those lovely things you said tonight?
