

Baby I Love You Way

Bob Marley & The Wailers

1. Shadows grow so long before my eyes
And they're moving across the page
Suddenly the day turns into night
Far away from the city
Well, don't hesitate, cause your love won't wait

R: Ooo, baby, I love your way, everyday
Gonna tell you I love your way, everyday
Wanna be with you night and day everyday

2. Moon appears to shine and light the skies
With the help of some firefly
Wonder how they have the power to shine, shine, shine
I can see them under the pine
But don't, oh no no, hesitate, cause your love won't wait

R: Ooo, baby...

3. I can see the sunset in your eyes
Brown and grey, blue besides
Clouds are stalking islands in the sun
Wish I could buy one out of season
But don't hesitate, cause your love won't wait

R: Ooo, baby...
