

Concrete Jungle

Bob Marley & The Wailers

No sun will shine in may day today
The high yellow moon won't come out to play, I said,
Darkness has covered my life
And has changed my day into night yeah
Where is this love to be found
Won't someone tell me cause the light
Must be somewhere to be found
Instead of a concrete jungle Where the living' is hardest
Concrete jungle, Man you've got to do your yeah wow yeah

No chains around my feet
But I'm not free
I know I am bound here In captivity
I never know happiness
Never known happiness
I never known sweet caresses
Still I be always laughing like a clown
Won't some-one tell me cause the light
I got to pick myself from off the ground ye-yeah
Is this here concrete jungle
